

DAILY PUBLIC LEDGER

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., FRIDAY, SEPTEMBER 2, 1904.

ONE COPY—ONE CENT.

IF YOU DON'T VOTE RIGHT,
Oh, the Dumbay politician
Tells you if you'll vote for him
He will give you a position.
That will cause your head to swim;
But his promise, like a bubble,
Quickly vanishes from sight,
And you'll get yourself in trouble
If you
Don't
Vote
Right.

If you want to see your dressin'
Simmer down to rags and holes,
You can do so by transgressin'
Your good judgment at the polls;
For a panic's sure to lift you,
And your clothes will be a sight,
And the old Rag Man'll sit you
If you
Don't
Vote
Right.

If you're gittin' tired of bisouit—
You and Betsy and the brats—
And you're all a-mind to risk it,
You can live the Democratic;
But you'll soon be lookin' droopy,
And your eyes'll lose their light,
And your breath'll smell right soupy
If you
Don't
Vote
Right.

All the Demos have ever given
Was the empty dinner pail,
And the workman was driven
To the soup so thin and staid;
So just keep your noggin' level,
And be fearless in the fight,
For you'll find you've played the devil
If you
Don't
Vote
Right.

not suffer so much.

MARK—BREEZE.

Vanceburg Sun.

Allan V. Ruark and Miss Mary L. Breeze of
Mason county eloped to this place Sunday af-
ternoon and stopped at the home of his aunt,
Mrs. G. P. Adams. They were surprised to
find that they could not secure a license to
marry on Sunday and wanted to have the Clerk
sit up till midnight to issue the license so they
could be married immediately after midnight for
fear the bride's father would overtake them.
Mrs. Adams finally persuaded them that there
was no danger and they waited till Monday
morning at five o'clock when they were mar-
ried by Squire Darragh.

HAMILTON—BERRY.

At Indianapolis, Ind., last evening occurred
the marriage of two of Maysville's best known
young people, Mr. H. L. Hamilton and Miss
Edith Berry meeting at that place and pligh-
ting their troth.

Although their mutual attachment had long
been an open secret, their marriage will never-
theless be a surprise to their many friends here,
as no announcement of their engagement had
been made.

Miss Berry has been on a visit to relatives in
Chicago for several weeks, coming to Indian-
apolis last afternoon, where the marriage was
arranged to occur.

Mr. Hamilton left Maysville Wednesday after-
noon, and is expected to return with his bride
tomorrow evening or on Sunday.

Miss Berry is the eldest daughter of Mr. and
Mrs. William T. Berry of the Sixth Ward, and
is one of this city's most attractive young ladies.

She is gifted with a splendid voice and has
charmed Maysville audiences on many occasions
with her sweet singing.

Mr. Hamilton, who is the son of Mrs. Rebecca
Hamilton of West Front street, is one of Mays-
ville's best known young men, deserving the
happy lot which will be his in the compani-
onship of his lovely bride.

PUBLIC MATTER

The East End Sewer Not Built For
Private Benefit

The contemplated sewer in the East End is a
public one and is being constructed for the
specific purpose of draining and carrying off
the surface water of that part of the city.

There is an impression abroad that private
individuals can tap it at will, free of charge for
their own special convenience.

Such is not the case, however. After the
sewer has been completed, that part of the city
will be laid off into sewer districts, and parties
wishing the benefit of draining and carrying off
waste water about their business establish-
ments and private residences will have to make
application to the Mayor and pay a reasonable
sum for the privilege.

All these matters will be arranged by Council
later on; but do not get it fixed in your head
that the sewer is being built for the special
benefit of anyone.

It is not.

It is a public affair altogether, and not a
private one.

Invitations has been issued to the marriage

Power at Flemingsburg. Mr. Martin is the pro-
prietor of the Navarre Cafe in West Second
street.

I will in a few days move into the store re-
cently purchased from Mr. Harry Taylor, No.
39 West Second, directly opposite the State
National Bank, where I will be pleased to see

women who need a warm snug wrap for these cool evenings.

the pattern is close. \$1 to \$1.75.

lops. \$1.25 to \$2.50.

Silk Petticoats at \$5.

They were made to sell for \$6½ and the quality of the silk, the workmanship and style were figured out accordingly. The skirts are

REPUBLICAN CONVENTION NINTH DISTRICT.

The Republicans of the Ninth Congressional District are hereby respectfully called to meet in designated Convention in the city of Cincinnati, Ky., on Thursday, September 15th, 1904, at 1 o'clock p. m., for the purpose of nominating a Republican candidate for Congress for said District.

The Chairmen of the respective counties shall cause the Republicans of their counties to meet in Mass. Conventions on Saturday, September 10th, 1904, at such times and places to be designated by said Chairmen, for the purpose of selecting Delegates to said Convention at Cincinnati.

The basis of representation shall be one Delegate for each 100 votes or majority fractional part thereof, cast for William McKim in 1900, and the counties are entitled to the following Delegates:

By order of the Committee, J. M. BISSATT, Chairman Ninth District.

Pursuant to the above call by the District Chairman, the Republican of Mason county will meet in Mass. Convention at the Courthouse in Maysville, Ky., at 1.30 o'clock p. m., September 15th, 1904, to select delegates to the Congressional Convention to be held in Cincinnati, Ky., September 15th, 1904.

A. M. JANUARY, Secretary.

The refusal of the Postmaster General to name a Postoffice Vardaman, in honor of the Governor of Mississippi, may throw the electoral vote of that state to Judge PARKER.

The worker in a Massachusetts factory gets 27% of what he produces, while the laborer in South Carolina gets only 19%; yet the Massachusetts laborer produces in one year \$715 more for his employer than the laborer in South Carolina.

TEDDY had best look out, or the Ohio Populists will get him. They held their State Convention in a single bedroom at a Columbus Hotel and nominated a full state ticket—being obliged to go outside the crowd for enough men to fill the places.

It doesn't pay to notice a low-flung black-guard, even though he be, unfortunately, a high state official. Postmaster General PAYNE has given undue prominence to Governor VARDAMAN of Mississippi. The way to crush a blackguard is to pay no attention to what he says or does.

Political Pickings

KENTUCKY DEMOCRACY'S FLIGHT.

Paducah Register, Democratic.

The Democratic State Committee places its seal of approval upon the so-called Convention held recently in the Fifth Appellate District. That Convention was even more riotous and disorderly than the infamous Music Hall Convention, and it is supposed to have nominated a candidate to sit upon the Bench in the highest Court in Kentucky, a Court before which many of the cases of the state are finally settled.

What inducement is there to foreign capital to seek investment in Kentucky when the dominant party has descended so low in the scale of politics as to name men for the highest judicial office, in a Convention, the conduct of which brings a blush of shame to every good citizen?

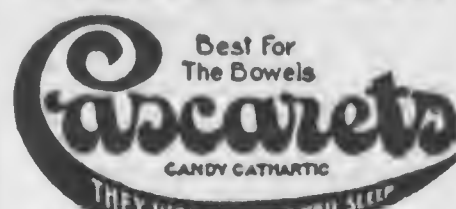

The Louisville Courier-Journal and The Lexington Herald have both denounced the late Convention as a shame and disgrace to Kentucky, and have virtually said that no self-respecting man can afford to accept a nomination made in the manner adopted by one faction in the Convention. It is openly charged—and not denied—that the man who constituted himself Chairman of the Convention had been promised a place of profit by the candidate who was named as the nominee by a majority of the delegates.

Certain it is that the men now at the head of party affairs in this state think and believe that the Democrats will endorse and approve anything done in the name of Democracy, no matter how great the outrage, but we have too much faith in the integrity of the masses to believe that they will bear much longer with conditions in this state. For several years we have protested against the corrupt methods that are taking a firmer hold on the party each year, and pointed out the dangers ahead for any party that persists in such a course. We have no interest in political matters further than to see the Democratic party prosper by honest methods. It cannot command the confidence and support of good citizens if it resorts to theft and corruption.

The only salvation for the Democratic party in Kentucky rests in the Democratic press of the state. The leaders do not hesitate to engage in all manner of outrages, but if the press will call a halt and appeal to the people to stand for honesty and for honest methods the corrupt gang now in power will be swept into oblivion and Kentucky regain a place of respectability in the eyes of the Nation.

MR. JUSTICE FINNEMORE

Judge of the Natal Supreme Court, Sends the Following Remarkable Testimonial

TO CUTICURA

'The World Is Cuticura's Field; Used Wherever Civilization Has Penetrated.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck and on one limb. I was for several months under professional treatments, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dreadfully disfigured and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies and I gave them a thorough trial with the most satisfactory results. The disease soon began to disappear and my hair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under their notice when a poor person is so afflicted, so that your remedies may be resorted to."

THERE IS NO SUBSTITUTE

Judge Lawrence S. Trimble, a native of Fleming county, died a few days ago at his home near Albuquerque, New Mexico, in his eightieth year.

Miss Nannie M. Ross and Mr. J. Marvin McIntyre will wed Wednesday, October 5th, at the home of the bride's parents, Mr. and Mrs. Charles Ross, near Flemingsburg.

In the Fleming County Court suit has been brought against John Kackler, late of Fleming county, but now of this county, for taxes for 1899, 1900-1-2-3, on \$8,000 cash, notes, &c., which it is claimed were omitted in his list for those years.

A dispatch from Constance, Ky., says Jerry Rice, who disappeared from his home there four or five weeks ago, had returned. He had been in this city ever since he left home. A body was recently found in the river, and was supposed to be that of Rice.

Mr. George Montague, Vice-President of the Leather Workers Union, who was called here to settle a controversy among the workers for the Keith-Schroeder-Hargess Company, as stated in yesterday's LEDGER, left for his home at St. Louis last afternoon. After getting the facts, Mr. Montague said he couldn't see any ground for trouble, and advised the men to go to work. Evidently, Mr. Montague is a man of sense—in stead of a Walking Delegate.

Sam Wood Hrgmel, who was cut Sunday at Cherry Grove Campmeeting, is reported in a critical condition.

Hon. Walter Matthews of Mayslick and Mr. and Mrs. Henry J. Shea of this city are registered this week at the Kentucky Building at the World's Fair.

There will be a regular meeting of Joseph Heiser Post tomorrow night. Let all Comrades be present as business of importance will be transacted—the election of a Chaplin and other matters.

BASEBALL MONDAY

Crack Georgetown Players Will be Here For a Game

The Maysville Locals will cross bats with the Georgetown (O.) team on Monday, Labor Day.

The game promises to be the best of the season, as the Georgetown team has lost four out of 28 games, while the home boys have succeeded in securing seven straight victories from teams which bear good reputations as excellent ball players.

Let as many as can turn out and make the day a big one for the boys, as they deserve a large crowd.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get into our presses. No press in the country can better our printing and we want you to know it.

HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

Mrs. Mary Slack of Frankfort is the guest of relatives in Covington, accompanied by Mr. and Mrs. Major Slack and their young son. They are en route from a week's visit to the World's Fair, and go later to Georgetown, to be the guests of Dr. and Mrs. Bryan.

THE Auto-Piano.

The Invention of the Age. Call at John I. Winter's Store and Examine This Marvel.

In appearance it is only a handsome Mahogany Piano, such as you see in many fine homes, but with it those who are the performers can produce a volume of harmony beyond the ordinary piano, while those who are unable to play one single note of music by simply pressing a concealed button can play the most difficult compositions of the old masters as only a Paderewski can.

Your friends will think that you have become a fine performer in a night. It is wonderful.

We will do it for you at legitimate prices and as near correct as science has developed the art. We do house heating that is successful; no wax-pertaining. Good work, proven by time and successful operation, is our recommendation.

THE SIGN OF THE CROSS COMING.
After two years' correspondence it has been definitely settled that this famous play will at last be seen in our city. The Sign of the Cross has been a very strong attraction the past seven years in all the larger cities and it has been almost impossible for our local manager to secure this play. It is needless to say that the theater will be packed when presented.

Notice.

Notice is hereby given that the undersigned will, on Monday, September 5th, 1904, enter a motion in the Mason County Court for his discharge as Assignee of D. G. Wilson.
J. H. MERZ, Assignee.

September 6th

OPENING ATTRACTION.

The Great Barlow Minstrels!

Minstrel Show Expected to Please

50c, 75c.

Small matter for publication must be handed in before 9 o'clock a. m.

The will of the late Captain Miller it is said makes the following disposition of his property: Jacob and Charles get each a house on the Fleming pike; Miss Mitchell, granddaughter, a vacant lot on Fleming pike; Mrs. Anna Means and Mrs. Slusser receive a house in Newport between them.

The Maysville and Ripley boat line has made a rate of 15c single trip and 25c round trip between the two points. The boat leaves Maysville at 5:35 a. m., 3:30 and 7:30 p. m. and leaves Ripley 10 a. m., 4:30 and 8:30 p. m. J. M. Calhoun, Agent, has an office in the Trout Building in Market street.

The management of the Washington Opera-house is in possession of reliable information that there will be quite a demand for seats for the Barlow Minstrels Tuesday, September 6th, from parties outside of Maysville, and they would suggest to their patrons who want their favorite seats to secure them early Saturday morning at Ray's, when the advance sale opens, as this attraction promises to fill the capacity of the house. The company is testing the engagement in Cincinnati this week and the press and public have nothing but good words for the excellence of the performance.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except of prescription from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

"DEAR MRS. PINKHAM:—I suffered with stomach complaint for years. I got so bad that I could not carry my children but five months, then would have a miscarriage. The last time I became pregnant, my husband got me to take Lydia E. Pinkham's Vegetable Compound. After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry my baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman."

The Rev. T. DeWitt Talmage says:—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprise. Community. No power on earth is so strong to build up a town as a newspaper well patronized, and this power should be appreciated."
